RE: Case No. 2004-00161
Alltel- Cell Site

Dear Sir or Madam:

This letter is in reply to the letter of May 7, 2004 from Stites & Harbison notifying us of Alltel's intent to construct a cell tower near our home.

We have no objection to the construction of said tower. However, we would like to be informed of any potential hazard in having the tower in our neighborhood.

Our property is adjacent to the access road to the tower site. This is a gravel road and the dust is a nuisance. Any assistance Alltel could provide in the upkeep or improvement to the access road would be most appreciated.

Thank you for your assistance in this matter.

Yours very truly,

Bobby Thompson
